

NETBOX Dice

Desktop socket NETBOX Dice

The portable **NETBOX Dice** stands out for its versatility and convenience across a wide range of applications. With three **NETMODULEs**, it ensures that sockets complying with a wide variety of national standards and high-performance USB-C chargers are always within easy reach. The **NETBOX Dice** comes with a fabric-sheathed power cable and, thanks to an anti-slip pad, can be positioned securely on an office desk or used as a mobile charging station – with a combination of sockets and USB-C chargers – in lounge areas.
