

NETBOX Point Duplex

Built-in Socket NETBOX Point Duplex

The **NETBOX** Point Duplex offers you four module slots for customised configuration. Socket outlets in various country standards, USB chargers and multimedia connections expand the connection options in your furniture.

The built-in socket outlet is mounted in the furniture without tools using the tried-and-tested latching mechanism and is supplied with mains connection cable (country standards) and connection cable (GST 18/3) for the power supply.
